Hi Dan,

The Attorney General recently issued guidance that California law prohibits California police agencies from sharing ALPR data with law enforcement agencies outside of our state or federal agencies.

My advice would be that we follow the Attorney General's guidance and deny outside requests for the time being.

The letter from Jones Mayer does make some good arguments that the guidance interprets the law too narrowly and it is possible the guidance may be reconsidered in the future or the law may be challenged.

The letter does agree with the guidance that we are not allowed to share data with federal law enforcement agencies so as to your specific question below we would not share that information under either the current guidance or the interpretation urged by Jones Mayer.

Jeffrey / Heather –

I'm not sure who this inquiry should be sent to, regarding sharing ALPR data with out of state agencies. It doesn't happen often, but we do receive requests periodically, sometimes from the FBI. A notable FBI request involved an out of state kidnapping case. Please see attached documents.

When we receive requests from out of state agencies, or the FBI, for ALPR data, how should we respond?

CPCA Response to AG ALPR Data Sharing Bulletin

11/27/23

Our legal counsel, **Jim Touchstone** with Jones & Mayer, sent a letter, **attached here,** to Attorney General Rob Bonta and Chief John Marsh with the Division of Law Enforcement last week on behalf of Cal Chiefs, State Sheriffs and CPOA in response to **DOJ's Information Bulletin on Automated License Plate Reader Data.** DOJ's bulletin spelled out state law governing the use of ALPR data as per SB 34. However, legal counsel for the three associations disagrees with the section of the guidance to the extent it suggests that ALPR data cannot be shared with out-of-state law enforcement agencies for legitimate law enforcement purposes and requests that DOJ to re-visit their position on this critical issue. We believe that the proper sharing of such information under these conditions is consistent with the language of the statute, the legislative intent, and sound public policy designed to assist in the apprehension and prosecution of child abductors, narcotics traffickers, extremist hate groups, and other cross-state criminal enterprises.

This is a major issue and we wanted you to be aware that we have been and will continue to work on it.

Hi Ruby and Tara,

We are trying to ascertain where the billing is going for the Flock cameras monitored by SMPD on our behalf pursuant to the agreement between City of Santa Maria and our agency.

Have you received any bills from Flock for our cameras? SMPD advised us they had no invoices from Flock for our agency cameras.

I have also reached out to Flock billing and customer service and am waiting on a response.

Hi Roshell,

The email is not quite correct. I called regarding our agency billing for Flock cameras monitored by the Santa Maria PD (SMPD) on our behalf, pursuant to an agreement between the Housing Authority of Santa Barbara County and The City of Santa Maria.

SMPD informed us that they are not receiving invoices for the flock cameras for our agency. Have the invoices for our agency been paid, and if so by what entity? If not, please let me know and we will take care of it.

Our Finance department has no record of any invoices received for Flock cameras, copied here is our Driector of Finance, Irene Melton.

Hello-

I've attached the agreements, which expired recently. I'm thinking we'll need to do a new agreement, just for the Flock cameras since they no longer want to continue the law enforcement services. Shall I reach out to City Attorney's Office to determine the best path forward since this is an addendum to the services contract? I'm guessing we'll need a stand alone contract for the cameras. I've added @Daniel Cohen in as he's been dealing with Flock and their billing "situation". On that topic, do you recall paying for these cameras and/or how should we go about reconciling these and seeking reimbursement from HASBARCO?

Thank you!

Sara

Good afternoon Sara,

I apologize for the delay in getting back to you. I understand that Sanford Riggs had a brief conversation with Commander Lara. As you may know, we have significantly increased the security guard service at all of our developments in Santa Maria. In particular, at the Residence at Depot Street we maintain a 24-hour guard service with required sign-in. In addition, we continue to maintain a robust security camera system at each of our developments to be able to capture and relay

undesirable activity that could potentially serve as prosecutable evidence. Finally, since the lifting of COVID restrictions, we have been able to evict a considerable number of tenants that were involved in drug and/or violent activities. As a result of these actions, and others, we have received feedback from townhall meetings with our tenants that they feel much safer.

With that background in mind, we have decided to discontinue the contract for additional patrols with your department. Please note we highly value the Santa Maria Police Department and continue to appreciate the excellent service we have received from your department. Our decision is based on economic considerations alone. We do wish to continue the Flock camera systems and respectfully request the contract to be modified to include continuation of that service. We also understand that the department has continued the contract under the existing terms without an extension. We further understand the department has incurred additional inflationary costs subsequent to the expiration of that contract. We wish to reimburse the department for the additional costs incurred. Please feel free to invoice us accordingly for those additional costs.

Please let us know if this email is adequate or if you need a formal letter executed by our Executive Director for your files. As you know, many of our developments serve formerly homeless and include those with mental illness and former or current chemical additions - as such it is a difficult population to serve. All of this is to say that we will not hesitate to reach out to you again if our circumstances change.

Thank you,

hasbarco

Good afternoon Officer Lara,

Thank you for speaking with me earlier. To determine if we'll be renewing our contract with the City of Santa Maria PD, could you please send me an updated contract with any revisions from the previous contract highlighted and I will have our Executive Director review?

HOUSING AUTHORITY LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
THE CITY OF SANTA MARIA
AND
THE HOUSING AUTHORITY OF THE COUNTY OF SANTA BARBARA

This Housing Authority Law Enforcement Services Agreement, hereinafter referred to as "Agreement," is entered into this 25th day of July 2022, by and between the City of Santa Maria, a political subdivision of the State of California, hereinafter referred to as "City," and the Housing Authority of the County of Santa Barbara, a California public body, corporate and politic, hereinafter referred to as "Housing Authority."

RECITALS

(a) Whereas, the Housing Authority is desirous of contracting with the City for the performance of law enforcement services by the Santa Maria Police Department, hereinafter referred to as "Police Department," to assist in providing safety, security, and order on or near housing developments under the control of the Housing Authority within the City; and

(b) Whereas, for the purpose of preserving public safety, the City is agreeable to rendering such services to the Housing Authority, in excess of the basic level of services customarily provided by the Police Department, if any, on the terms and conditions set forth in this Agreement; and

(c) Whereas, this Agreement is authorized by the California Government Code section 53060.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties hereby agree as follows:

1.0 SCOPE OF SERVICES

1.1 The City agrees, through the Police Department, to provide law enforcement services to the Housing Authority to the extent and in the manner set forth in this Agreement. The specific law enforcement services to be provided by the Police Department shall be set forth in addenda to this Agreement, which may be entered into between the parties from time-to-time on and after the date of this Agreement, and which shall incorporate

the terms of this Agreement by reference. Upon request by the Housing Authority, Police Department shall provide the number of hours requested by the Housing Authority, but the parties agree that the number of hours requested shall not exceed forty (40) hours per week of law enforcement services.

1.2 Except as otherwise specifically set forth in this Agreement, such law enforcement services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Police Department.

1.3 The law enforcement services contemplated herein shall not reduce the normal and regular ongoing law enforcement services that the City would otherwise provide to the Housing Authority.

1.4 Housing Authority acknowledges all of the law enforcement services to be provided hereunder are being provided by law enforcement personnel working on an overtime basis. Due to staffing considerations, emergency priorities or important departmental concerns, City may be, through no fault of its own, unable to fulfill the requested hours per week anticipated by section 1.1, above. City shall provide Housing Authority with as reasonably practicable advance notice of such unexpected circumstances as possible. City's inability to fulfill the requested hours per week due to such unexpected circumstances shall not constitute a breach of this Agreement.

2.0 ADMINISTRATION OF PERSONNEL

2.1 The rendition of the services performed by the Police Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the City.

2.2 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the Housing Authority shall be consulted and a mutual determination thereof shall be made by both the Police Department and the Housing Authority.

2.3 With regard to sections 2.1 and 2.2 above, the Chief of Police, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.4 Notwithstanding any other provision of this Agreement, the Chief of Police may, at any time, cancel the provision of law enforcement services for any specific housing development assignment if the Chief of Police concludes that the Police Department has insufficient available personnel to perform both the law enforcement services requested by the Housing Authority and the Police Department's other duties as required by law. In such cases, the Police Department shall provide notice to the Housing Authority as soon as reasonably practical.

2.5 All Housing Authority employees who work in conjunction with the Police Department pursuant to this Agreement shall remain employees of the Housing Authority and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the City based on this Agreement. No Housing Authority employees shall become employees of the City as a result of the performance of this Agreement.

2.6 All City employees who provide services pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the Housing Authority based on this Agreement. No City employees

shall become employees of the Housing Authority as a result of the performance of this Agreement.

2.7 The Housing Authority shall not be called upon to assume any liability for the direct payment of any Police Department salaries, wages, or other compensation to any City personnel performing services hereunder for the Housing Authority. Without limiting the foregoing, the Housing Authority shall not be liable for compensation or indemnity to any City employee or agent of the City for injury or sickness arising out of his/her performance of services under this Agreement.

3.0 DEPLOYMENT OF PERSONNEL

As requested by the Housing Authority, law enforcement services under this Agreement may be performed by Police Department personnel and/or supervisory personnel.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing the requested law enforcement services, City shall furnish and supply all labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the Housing Authority may provide additional resources for the City to utilize in performance of the services.

4.3 When and if both parties to this Agreement mutually agree as to the necessity of maintaining a Police Department substation within Housing Authority developments which would not normally be provided by the Police Department, the Housing Authority shall furnish at its own cost and expense all necessary office space, furniture and furnishings, office supplies, janitor service, telephone, electricity, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained within any Housing Authority development, such local office or building may be used by the Police Department in connection with the performance of its duties in territory outside of the Housing Authority, provided, however, that the performance of such outside duties shall not be at any additional cost to the Housing Authority.

4.5 It is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of the Housing Authority, the same shall be supplied by the Housing Authority at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The Housing Authority shall indemnify, defend, and hold harmless the City, its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with the Housing Authority's acts and/or omissions arising from and/or relating to this Agreement.

5.2 City shall indemnify, defend, and hold harmless the Housing Authority, its Board of Commissioners, officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with the City's acts and/or omissions arising from and/or relating to this Agreement.

5.3 Without limiting the Housing Authority's indemnification of the City, the City shall provide and maintain a program of liability insurance, which includes comprehensive general liability and comprehensive auto liability coverage,

a program of self-insurance, or any combination thereof, at City's sole option and discretion.

6.0 TERM OF AGREEMENT

The term of this Agreement shall commence upon execution by the Chief of Police and shall terminate June 30, 2024, unless sooner terminated or extended in whole or in part as provided for herein. The parties may mutually agree to extend the term of this Agreement for one-year increments thereafter on the same terms as herein, or as amended by mutual agreement.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party delivered not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the Housing Authority may terminate this Agreement upon notice in writing to the City given within sixty (60) days of receipt of written notice from the City of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the Housing Authority's notice to the City.

7.3 This Agreement may be terminated at any time, with or without cause, by either party upon written notice given to the other party at least ninety (90) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and each party shall be released from all obligations, which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 For and in consideration of the rendition of the law enforcement services to be performed by the City for the Housing Authority under this Agreement, the Housing Authority shall pay the City for said services provided by City under the terms of this Agreement at the appropriate and prevailing billing rates established by the City of Santa Maria. The current billings rates are attached hereto as Exhibit A. Billing rates are subject to change on 30 days' written notice.

9.0 PAYMENT PROCEDURES

9.1 The City, through the Police Department, shall deliver to the Housing Authority within thirty (30) calendar days after the close of each calendar month an itemized invoice which covers all services performed during said month, or such time periods as otherwise agreed to between the parties in writing. The Housing Authority shall pay the City for all undisputed amounts within thirty (30) calendar days after date of said invoice.

9.2 If such payment is not delivered to the City, which is described on said invoice, within thirty (30) calendar days after the date of the invoice, the City is entitled to recover interest thereon.

9.3 In the event of any disputed amounts, the Housing Authority shall provide the City with written notice of the dispute including the invoice date, amount, and reasons for dispute within twenty (20) calendar days after receipt of the invoice. The parties shall memorialize the resolution of the dispute in writing. For any disputed amount owed, interest shall accrue if payment is not received within thirty (30) calendar days after the dispute resolution is memorialized.

9.4 Said interest shall be at a rate of ten percent (10%) per annum or any portion thereof, calculated from the date payment was due pursuant to Section 9.2 and Section 9.3 above.

9.5 Notwithstanding the provisions of California Government Code section 907, if payment is not delivered to the City office, which is described on said invoice within thirty (30) calendar days after date of the invoice or the date of memorialized resolution, then the City may satisfy such indebtedness, including interest thereon, from any funds of the Housing Authority on deposit with the City without giving further notice to the Housing Authority of the City's intention to do so.

10.0 AMENDMENTS

All changes, modifications, or amendments to this Agreement must be in the form of a written Amendment duly executed by authorized personnel of the City of Santa Maria City Council and the Housing Authority. Notwithstanding, the Chief of Police or his designee shall be authorized to execute, on behalf of the City, those Amendments and/or agreements referenced in Sections 8.2 and 9.3 of this Agreement.

11.0 ASSIGNMENT, DELEGATION, AND SUBCONTRACTING

A party shall not assign its rights and/or subcontract, or otherwise delegate, its duties under this Agreement, either in whole or in part, without the prior written consent of the other party, and any attempted assignment or delegation without such consent shall be null and void.

12.0 AUTHORIZATION WARRANTY

12.1 The Housing Authority represents and warrants that the person executing this Agreement for the Housing Authority is an authorized agent who has actual authority to bind the Housing Authority to each and every term,

condition, and obligation of this Agreement and that all requirements of the Housing Authority have been fulfilled to provide such actual authority.

12.2 The City represents and warrants that the person executing this Agreement for the City is an authorized agent who has actual authority to bind the City to each and every term, condition, and obligation of this Agreement and that all requirements of the City have been fulfilled to provide such actual authority.

13.0 GOVERNING LAW, JURISDICTION, AND VENUE

This Agreement shall be governed by, and construed in accordance with, the laws of the State of California. The parties agree and consent to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Agreement and further agree and consent that venue of any action brought hereunder shall be exclusively in the County of Santa Barbara.

14.0 NOTICES

Unless otherwise specified herein, all notices or demands required or permitted to be given or made under this Agreement shall be in writing and shall be hand delivered with signed receipt or mailed by first class registered or certified mail, postage prepaid, addressed to the parties at the following addresses and to the attention of the person named. Addresses and persons to be notified may be changed by either party by giving ten (10) calendar days prior written notice thereof to the other party.

Notices to the City shall be addressed as follows:

City of Santa Maria Police Department
Attn: Administration Commander
1111 W. Betteravia Rd.
Santa Maria, CA 93455-1120

Notices to the Housing Authority shall be addressed as follows:

Housing Authority of the County of Santa Barbara
Attn: Executive Director
815 West Ocean Avenue
Lompoc, CA 93436-6526

15.0 VALIDITY

If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

16.0 WAIVER

No waiver by the parties of any breach of any provision of this Agreement shall constitute a waiver of any other breach or of such provision. Failure of the parties to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof.

17.0 ENTIRE AGREEMENT

This Agreement, including Exhibit A, and any executed addenda or Amendments hereto or thereto, constitute the complete and exclusive statement of understanding of the parties which supersedes all previous agreements, written or oral, and all communications between the parties relating to the subject matter of this Agreement. No change to this Agreement shall be valid unless prepared pursuant to Section 10.0, Amendments, of this Agreement and signed by both parties.

ADDENDUM NO. 1 TO LAW ENFORCEMENT SERVICES AGREEMENT BY AND BETWEEN THE CITY OF SANTA MARIA AND THE HOUSING AUTHORITY OF THE COUNTY OF SANTA BARBARA

This **Addendum No. 1** ("Addendum") to the Housing Authority Law Enforcement Services Agreement By And Between The City Of Santa Maria And The Housing Authority Of The County Of Santa Barbara ("Agreement") dated July 25, 2022 is effective on the date last signed below.

Whereas, in addition to the law enforcement services provided for in the Agreement, the City and the Housing Authority desire license plate readers to be installed at certain of the Housing Authority's properties located within the City's jurisdiction; and

Whereas, the City has an existing subscription agreement with Flock Group Inc. ("Flock") for the placement of license plate reader ("LPR") cameras throughout the City and is willing to install additional LPR cameras on or adjacent to Housing Authority property provided the costs are covered by Housing Authority as set forth herein.

Now, therefore, the Parties agree as follows:

1. The term of this Addendum is 2 years from the effective date. Thereafter, the Addendum shall renew automatically on an annual basis unless terminated by either party as set forth herein.

2. The City shall contract directly with Flock to furnish and supply LPR camera equipment, installation, storage, maintenance, and software to support this request.

3. The City will have sole access to the data produced by the LPR cameras to be used to aid criminal investigations and satisfy requests for information as required by law. Housing Authority shall not be entitled to any special access to the LPR camera data beyond that available to the general public.

4. The Housing Authority agrees to fully reimburse the City for any and all costs incurred for installation, annual service, early termination fees, or any other fees billed to the City by Flock for the LPR cameras placed on or adjacent to the Housing Authority's properties.

5. The quantity and locations of LPR cameras are set forth in Exhibit A attached hereto and incorporated herein by this reference. During the term of the City's Agreement with Flock, said agreed-upon quantity and location of LPR cameras cannot be changed unless allowed by said contract with Flock or where Housing Authority takes responsibility for any costs of any such change.

6. The City will bill the Housing Authority for LPR camera related expenses, as bills are received from Flock. Costs will be billed annually, beginning at the time of

installation, and every 12-months thereafter. Housing Authority is required to pay City within 30 days of receipt of an invoice from City.

7. The Addendum can be terminated, or the quantity of cameras reduced, with 60 days' advance written notice prior to the automatic renewal date.

8. To the fullest extent permitted by law, the Housing Authority shall indemnify, defend (with independent counsel approved by the City) and hold harmless the City, and its directors, officers, and employees from and against all liabilities (including without limitation all claims, losses, damages, penalties, fines, and judgments, associated investigation and administrative expenses, and defense costs, including but not limited to reasonable attorneys' fees, court costs and costs of alternative dispute resolution) regardless of nature or type that arise out of, pertain to, or relate to the negligence, reckless, or willful misconduct of the Housing Authority or the acts or omissions of an employee, agent or subcontractor of the Housing Authority in the performance of this Addendum.

9. All provisions in the Agreement are applicable to this Addendum; provided however, that where the provisions conflict, those in this Addendum shall control.

10. This Addendum shall survive the termination of the Agreement unless Housing Authority reimburses City of any costs of early termination that the City would suffer.

IN WITNESS WHEREOF, this agreement is executed by the parties on the date first written above.

Hello-

I've attached the agreements, which expired recently. I'm thinking we'll need to do a new agreement, just for the Flock cameras since they no longer want to continue the law enforcement services. Shall I reach out to City Attorney's Office to determine the best path forward since this is an addendum to the services contract? I'm guessing we'll need a stand alone contract for the cameras. I've added @Daniel Cohen in as he's been dealing with Flock and their billing "situation". On that topic, do you recall paying for these cameras and/or how should we go about reconciling these and seeking reimbursement from HASBARCO?

Thank you!

Good afternoon Sara,

I apologize for the delay in getting back to you. I understand that Sanford Riggs had a brief conversation with Commander Lara. As you may know, we have significantly increased the security guard service at all of our developments in Santa Maria. In particular, at the Residence at Depot Street we maintain a 24-hour guard service with required sign-in. In addition, we continue to maintain a robust security camera system at each of our developments to be able to capture and relay

undesirable activity that could potentially serve as prosecutable evidence. Finally, since the lifting of COVID restrictions, we have been able to evict a considerable number of tenants that were involved in drug and/or violent activities. As a result of these actions, and others, we have received feedback from townhall meetings with our tenants that they feel much safer.

With that background in mind, we have decided to discontinue the contract for additional patrols with your department. Please note we highly value the Santa Maria Police Department and continue to appreciate the excellent service we have received from your department. Our decision is based on economic considerations alone. We do wish to continue the Flock camera systems and respectfully request the contract to be modified to include continuation of that service. We also understand that the department has continued the contract under the existing terms without an extension. We further understand the department has incurred additional inflationary costs subsequent to the expiration of that contract. We wish to reimburse the department for the additional costs incurred. Please feel free to invoice us accordingly for those additional costs.

Please let us know if this email is adequate or if you need a formal letter executed by our Executive Director for your files. As you know, many of our developments serve formerly homeless and include those with mental illness and former or current chemical additions - as such it is a difficult population to serve. All of this is to say that we will not hesitate to reach out to you again if our circumstances change.

Thank you,

hasbarco

HOUSING AUTHORITY LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
THE CITY OF SANTA MARIA
AND
THE HOUSING AUTHORITY OF THE COUNTY OF SANTA BARBARA

This Housing Authority Law Enforcement Services Agreement, hereinafter referred to as "Agreement," is entered into this 25th day of July 2022, by and between the City of Santa Maria, a political subdivision of the State of California, hereinafter referred to as "City," and the Housing Authority of the County of Santa Barbara, a California public body, corporate and politic, hereinafter referred to as "Housing Authority."

RECITALS

(a) Whereas, the Housing Authority is desirous of contracting with the City for the performance of law enforcement services by the Santa Maria Police Department, hereinafter referred to as "Police Department," to assist in providing safety, security, and order on or near housing developments under the control of the Housing Authority within the City; and

(b) Whereas, for the purpose of preserving public safety, the City is agreeable to rendering such services to the Housing Authority, in excess of the basic level of services customarily provided by the Police Department, if any, on the terms and conditions set forth in this Agreement; and

(c) Whereas, this Agreement is authorized by the California Government Code section 53060.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties hereby agree as follows:

1.0 SCOPE OF SERVICES

1.1 The City agrees, through the Police Department, to provide law enforcement services to the Housing Authority to the extent and in the manner set forth in this Agreement. The specific law enforcement services to be provided by the Police Department shall be set forth in addenda to this Agreement, which may be entered into between the parties from time-to-time on and after the date of this Agreement, and which shall incorporate

the terms of this Agreement by reference. Upon request by the Housing Authority, Police Department shall provide the number of hours requested by the Housing Authority, but the parties agree that the number of hours requested shall not exceed forty (40) hours per week of law enforcement services.

1.2 Except as otherwise specifically set forth in this Agreement, such law enforcement services shall only encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Police Department.

1.3 The law enforcement services contemplated herein shall not reduce the normal and regular ongoing law enforcement services that the City would otherwise provide to the Housing Authority.

1.4 Housing Authority acknowledges all of the law enforcement services to be provided hereunder are being provided by law enforcement personnel working on an overtime basis. Due to staffing considerations, emergency priorities or important departmental concerns, City may be, through no fault of its own, unable to fulfill the requested hours per week anticipated by section 1.1, above. City shall provide Housing Authority with as reasonably practicable advance notice of such unexpected circumstances as possible. City's inability to fulfill the requested hours per week due to such unexpected circumstances shall not constitute a breach of this Agreement.

2.0 ADMINISTRATION OF PERSONNEL

2.1 The rendition of the services performed by the Police Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the City.

2.2 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the Housing Authority shall be consulted and a mutual determination thereof shall be made by both the Police Department and the Housing Authority.

2.3 With regard to sections 2.1 and 2.2 above, the Chief of Police, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

2.4 Notwithstanding any other provision of this Agreement, the Chief of Police may, at any time, cancel the provision of law enforcement services for any specific housing development assignment if the Chief of Police concludes that the Police Department has insufficient available personnel to perform both the law enforcement services requested by the Housing Authority and the Police Department's other duties as required by law. In such cases, the Police Department shall provide notice to the Housing Authority as soon as reasonably practical.

2.5 All Housing Authority employees who work in conjunction with the Police Department pursuant to this Agreement shall remain employees of the Housing Authority and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the City based on this Agreement. No Housing Authority employees shall become employees of the City as a result of the performance of this Agreement.

2.6 All City employees who provide services pursuant to this Agreement shall remain employees of the City and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the Housing Authority based on this Agreement. No City employees

shall become employees of the Housing Authority as a result of the performance of this Agreement.

2.7 The Housing Authority shall not be called upon to assume any liability for the direct payment of any Police Department salaries, wages, or other compensation to any City personnel performing services hereunder for the Housing Authority. Without limiting the foregoing, the Housing Authority shall not be liable for compensation or indemnity to any City employee or agent of the City for injury or sickness arising out of his/her performance of services under this Agreement.

3.0 DEPLOYMENT OF PERSONNEL

As requested by the Housing Authority, law enforcement services under this Agreement may be performed by Police Department personnel and/or supervisory personnel.

4.0 PERFORMANCE OF AGREEMENT

4.1 For the purpose of performing the requested law enforcement services, City shall furnish and supply all labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

4.2 Notwithstanding the foregoing, the Housing Authority may provide additional resources for the City to utilize in performance of the services.

4.3 When and if both parties to this Agreement mutually agree as to the necessity of maintaining a Police Department substation within Housing Authority developments which would not normally be provided by the Police Department, the Housing Authority shall furnish at its own cost and expense all necessary office space, furniture and furnishings, office supplies, janitor service, telephone, electricity, water, and other utilities.

4.4 It is expressly further understood that in the event a local office or building is maintained within any Housing Authority development, such local office or building may be used by the Police Department in connection with the performance of its duties in territory outside of the Housing Authority, provided, however, that the performance of such outside duties shall not be at any additional cost to the Housing Authority.

4.5 It is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of the Housing Authority, the same shall be supplied by the Housing Authority at its own cost and expense.

5.0 INDEMNIFICATION

5.1 The Housing Authority shall indemnify, defend, and hold harmless the City, its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with the Housing Authority's acts and/or omissions arising from and/or relating to this Agreement.

5.2 City shall indemnify, defend, and hold harmless the Housing Authority, its Board of Commissioners, officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with the City's acts and/or omissions arising from and/or relating to this Agreement.

5.3 Without limiting the Housing Authority's indemnification of the City, the City shall provide and maintain a program of liability insurance, which includes comprehensive general liability and comprehensive auto liability coverage,

a program of self-insurance, or any combination thereof, at City's sole option and discretion.

6.0 TERM OF AGREEMENT

The term of this Agreement shall commence upon execution by the Chief of Police and shall terminate June 30, 2024, unless sooner terminated or extended in whole or in part as provided for herein. The parties may mutually agree to extend the term of this Agreement for one-year increments thereafter on the same terms as herein, or as amended by mutual agreement.

7.0 RIGHT OF TERMINATION

7.1 Either party may terminate this Agreement as of the first day of July of any year upon notice in writing to the other party delivered not less than sixty (60) calendar days prior thereto.

7.2 Notwithstanding any provision herein to the contrary, the Housing Authority may terminate this Agreement upon notice in writing to the City given within sixty (60) days of receipt of written notice from the City of any increase in the rate for any service to be performed hereunder, and in such an event this Agreement shall terminate sixty (60) calendar days from the date of the Housing Authority's notice to the City.

7.3 This Agreement may be terminated at any time, with or without cause, by either party upon written notice given to the other party at least ninety (90) calendar days before the date specified for such termination.

7.4 In the event of a termination, each party shall fully discharge all obligations owed to the other party accruing prior to the date of such termination, and each party shall be released from all obligations, which would otherwise accrue subsequent to the date of termination.

8.0 BILLING RATES

8.1 For and in consideration of the rendition of the law enforcement services to be performed by the City for the Housing Authority under this Agreement, the Housing Authority shall pay the City for said services provided by City under the terms of this Agreement at the appropriate and prevailing billing rates established by the City of Santa Maria. The current billings rates are attached hereto as Exhibit A. Billing rates are subject to change on 30 days' written notice.

9.0 PAYMENT PROCEDURES

9.1 The City, through the Police Department, shall deliver to the Housing Authority within thirty (30) calendar days after the close of each calendar month an itemized invoice which covers all services performed during said month, or such time periods as otherwise agreed to between the parties in writing. The Housing Authority shall pay the City for all undisputed amounts within thirty (30) calendar days after date of said invoice.

9.2 If such payment is not delivered to the City, which is described on said invoice, within thirty (30) calendar days after the date of the invoice, the City is entitled to recover interest thereon.

9.3 In the event of any disputed amounts, the Housing Authority shall provide the City with written notice of the dispute including the invoice date, amount, and reasons for dispute within twenty (20) calendar days after receipt of the invoice. The parties shall memorialize the resolution of the dispute in writing. For any disputed amount owed, interest shall accrue if payment is not received within thirty (30) calendar days after the dispute resolution is memorialized.

9.4 Said interest shall be at a rate of ten percent (10%) per annum or any portion thereof, calculated from the date payment was due pursuant to Section 9.2 and Section 9.3 above.

9.5 Notwithstanding the provisions of California Government Code section 907, if payment is not delivered to the City office, which is described on said invoice within thirty (30) calendar days after date of the invoice or the date of memorialized resolution, then the City may satisfy such indebtedness, including interest thereon, from any funds of the Housing Authority on deposit with the City without giving further notice to the Housing Authority of the City's intention to do so.

10.0 AMENDMENTS

All changes, modifications, or amendments to this Agreement must be in the form of a written Amendment duly executed by authorized personnel of the City of Santa Maria City Council and the Housing Authority. Notwithstanding, the Chief of Police or his designee shall be authorized to execute, on behalf of the City, those Amendments and/or agreements referenced in Sections 8.2 and 9.3 of this Agreement.

11.0 ASSIGNMENT, DELEGATION, AND SUBCONTRACTING

A party shall not assign its rights and/or subcontract, or otherwise delegate, its duties under this Agreement, either in whole or in part, without the prior written consent of the other party, and any attempted assignment or delegation without such consent shall be null and void.

12.0 AUTHORIZATION WARRANTY

12.1 The Housing Authority represents and warrants that the person executing this Agreement for the Housing Authority is an authorized agent who has actual authority to bind the Housing Authority to each and every term,

condition, and obligation of this Agreement and that all requirements of the Housing Authority have been fulfilled to provide such actual authority.

12.2 The City represents and warrants that the person executing this Agreement for the City is an authorized agent who has actual authority to bind the City to each and every term, condition, and obligation of this Agreement and that all requirements of the City have been fulfilled to provide such actual authority.

13.0 GOVERNING LAW, JURISDICTION, AND VENUE

This Agreement shall be governed by, and construed in accordance with, the laws of the State of California. The parties agree and consent to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Agreement and further agree and consent that venue of any action brought hereunder shall be exclusively in the County of Santa Barbara.

14.0 NOTICES

Unless otherwise specified herein, all notices or demands required or permitted to be given or made under this Agreement shall be in writing and shall be hand delivered with signed receipt or mailed by first class registered or certified mail, postage prepaid, addressed to the parties at the following addresses and to the attention of the person named. Addresses and persons to be notified may be changed by either party by giving ten (10) calendar days prior written notice thereof to the other party.

Notices to the City shall be addressed as follows:

City of Santa Maria Police Department
Attn: Administration Commander
1111 W. Betteravia Rd.
Santa Maria, CA 93455-1120

Notices to the Housing Authority shall be addressed as follows:

Housing Authority of the County of Santa Barbara
Attn: Executive Director
815 West Ocean Avenue
Lompoc, CA 93436-6526

15.0 VALIDITY

If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

16.0 WAIVER

No waiver by the parties of any breach of any provision of this Agreement shall constitute a waiver of any other breach or of such provision. Failure of the parties to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof.

17.0 ENTIRE AGREEMENT

This Agreement, including Exhibit A, and any executed addenda or Amendments hereto or thereto, constitute the complete and exclusive statement of understanding of the parties which supersedes all previous agreements, written or oral, and all communications between the parties relating to the subject matter of this Agreement. No change to this Agreement shall be valid unless prepared pursuant to Section 10.0, Amendments, of this Agreement and signed by both parties.

ADDENDUM NO. 1 TO LAW ENFORCEMENT SERVICES AGREEMENT BY AND BETWEEN THE CITY OF SANTA MARIA AND THE HOUSING AUTHORITY OF THE COUNTY OF SANTA BARBARA

This **Addendum No. 1** ("Addendum") to the Housing Authority Law Enforcement Services Agreement By And Between The City Of Santa Maria And The Housing Authority Of The County Of Santa Barbara ("Agreement") dated July 25, 2022 is effective on the date last signed below.

Whereas, in addition to the law enforcement services provided for in the Agreement, the City and the Housing Authority desire license plate readers to be installed at certain of the Housing Authority's properties located within the City's jurisdiction; and

Whereas, the City has an existing subscription agreement with Flock Group Inc. ("Flock") for the placement of license plate reader ("LPR") cameras throughout the City and is willing to install additional LPR cameras on or adjacent to Housing Authority property provided the costs are covered by Housing Authority as set forth herein.

Now, therefore, the Parties agree as follows:

1. The term of this Addendum is 2 years from the effective date. Thereafter, the Addendum shall renew automatically on an annual basis unless terminated by either party as set forth herein.

2. The City shall contract directly with Flock to furnish and supply LPR camera equipment, installation, storage, maintenance, and software to support this request.

3. The City will have sole access to the data produced by the LPR cameras to be used to aid criminal investigations and satisfy requests for information as required by law. Housing Authority shall not be entitled to any special access to the LPR camera data beyond that available to the general public.

4. The Housing Authority agrees to fully reimburse the City for any and all costs incurred for installation, annual service, early termination fees, or any other fees billed to the City by Flock for the LPR cameras placed on or adjacent to the Housing Authority's properties.

5. The quantity and locations of LPR cameras are set forth in Exhibit A attached hereto and incorporated herein by this reference. During the term of the City's Agreement with Flock, said agreed-upon quantity and location of LPR cameras cannot be changed unless allowed by said contract with Flock or where Housing Authority takes responsibility for any costs of any such change.

6. The City will bill the Housing Authority for LPR camera related expenses, as bills are received from Flock. Costs will be billed annually, beginning at the time of

installation, and every 12-months thereafter. Housing Authority is required to pay City within 30 days of receipt of an invoice from City.

7. The Addendum can be terminated, or the quantity of cameras reduced, with 60 days' advance written notice prior to the automatic renewal date.

8. To the fullest extent permitted by law, the Housing Authority shall indemnify, defend (with independent counsel approved by the City) and hold harmless the City, and its directors, officers, and employees from and against all liabilities (including without limitation all claims, losses, damages, penalties, fines, and judgments, associated investigation and administrative expenses, and defense costs, including but not limited to reasonable attorneys' fees, court costs and costs of alternative dispute resolution) regardless of nature or type that arise out of, pertain to, or relate to the negligence, reckless, or willful misconduct of the Housing Authority or the acts or omissions of an employee, agent or subcontractor of the Housing Authority in the performance of this Addendum.

9. All provisions in the Agreement are applicable to this Addendum; provided however, that where the provisions conflict, those in this Addendum shall control.

10. This Addendum shall survive the termination of the Agreement unless Housing Authority reimburses City of any costs of early termination that the City would suffer.

IN WITNESS WHEREOF, this agreement is executed by the parties on the date first written above.

Dear CA - Santa Maria PD,

This is a reminder that your agency needs to take immediate action to affirm your compliance with Illinois House Bill 3326 (HB 3326). The deadline for confirming your stance is swiftly approaching, and we want to ensure you retain full access to Illinois' ALPR camera network.

Don't Miss the Deadline: Confirm by Monday 12/26/2023

To avoid any disruption in access, it is crucial that your agency complies with the new policy requirements by Monday, December 26, 2023. After this date, agencies that have not indicated their compliance will lose access to Illinois cameras and related features.

Easy Steps to Ensure Compliance:

1. Log in to your Flock Safety Organization Page.
2. Go to the 'Policy' section.
3. Select the appropriate compliance checkbox:
    - We will never use Illinois' LPR data to investigate or enforce a law that interferes with a person obtaining reproductive health services or other health services, or relates to a person's immigration status. See HB 3326 for more information.
    - We do NOT affirm the above

The Importance of Your Selection:

- Compliance: Maintain your current and future access to Illinois cameras and the National Lookup features.
- Non-Compliance: Your agency will lose access to vital ALPR functionalities.

Need Help?

Our team is on standby to support you. For any questions or guidance through the compliance process, please reach out to your Customer Success Manager or support@flocksafety.com.

We value our partnership with your agency and are here to assist you in navigating these legislative updates. Your prompt response is not only crucial for maintaining access but also for upholding the trust and safety standards we strive for together.

Warm regards,

Flock Safety Customer Success

Please Note: This message is intended for agencies that have yet to select a compliance checkbox in the Flock Safety system. If your agency has already completed this process, please accept our thanks and disregard this reminder.

Flock Safety x Aerodome

Commander Lara,

You've told our team time and time again that you need cutting-edge tools that help you stop crime and keep communities safe. Today, we're excited to share the next chapter in that mission.

We're All In on Drones as a First Responder (DFR).

We've acquired Aerodome, a pioneer in Drones as a First Responder technology. They have by far the most intuitive and powerful DFR software on the planet. And with Flock's expertise in hardware, computer vision, and commitment to launch new features based on your input, the future of real-time policing just became real.

Imagine, you receive a gunshot alert from your fleet of Raven devices and you're not sure if patrol can get there in time. With DFR, you'll get eyes on the scene in seconds, saving lives and making arrests. Or you pull over a vehicle associated with a hot list hit from your

Flock LPR, and the suspect decides to run, but a chase gets called off for being too dangerous. DFR will keep eyes on the suspect vehicle until you find a safer place to intercept. And just like today, your entire team will be able to see that info wherever you need it - from a computer screen in Dispatch to the officer's MDT or mobile device. Flock drones will integrate seamlessly with all of Flock's existing tools, so your officers and deputies will know exactly the risks and challenges of the scene ahead.

We are building the future of public safety, together—where rapid response becomes the standard, and incidents can be addressed in real-time.

What does this mean for you?

You already know about FlockOS, the most powerful real-time policing software that supports thousands of agencies across the country. And starting in 2025, we'll be launching a fleet of **American-made, NDAA compliant drones** designed specifically for law enforcement needs. The best part? We're growing our team.

With this acquisition, we're not only expanding our product lineup, but also investing heavily in your future. We're hiring over a hundred world-class engineers — experts who will help us refine and enhance every aspect of our technology. This means **more innovation, better service**, and faster response times to your needs.

What's next?

Over the coming months, we'll be sharing more details about the launch of our drone program, how it integrates with your current Flock systems, and what you can expect in 2025. We're excited for the future, and we can't wait to bring these innovations to your department.

Want to learn more? Head to our booth at IACP or sign up for our DFR webinar on November 13.

Thank you for your continued trust in Flock Safety. Together, we're not just solving crimes —we're preventing them.

Onward,
Garrett Langley

Flock Safety Product Launch

We missed you at Flock Safety's most recent live webinar highlighting our newest hardware and features. As law enforcement professionals, we know the importance of staying updated with the latest innovations in policing. Therefore, we wanted to provide a recap of the product announcements you might find interesting, including:

- **Condor Video: Fixed and Solar**- unlock the power of AC power-free live and recorded video, expanding and customizing coverage by easily adding cameras to blind spots or coverage gaps

- **Falcon® LR with Solar Power** - discover the first solar-powered LPR designed for high-speed, multi-lane environments, perfect for off-the-shoulder deployment or areas with limited power infrastructure
- **Falcon LPR + Condor Video Bundles** - Integrate video and license plate recognition technology for expanded coverage and efficient evidence access, maximizing resources and expediting crime resolution
- **Traffic Analytics** - Maximize public safety impact with Traffic Analytics, leveraging existing LPR technology for targeted enforcement, optimized patrol routes, collaborative efforts, and data-driven decision-making
- **NightVision®** - Falcon customers can now see high-quality images day and night, thanks to advanced computational photography techniques and AI algorithms
- **People Detection** - detect when people are in restricted areas during unauthorized times, enabling quick responses by law enforcement and security teams

Want to see all the details in action? Access the event recording here.

Together, we can harness these innovations to further our shared mission to eliminate crime.

Stay safe,
The Flock Safety Team

Subject: Procedural Questions from SMPD
Date: Saturday, August 6, 2022 9:04:36 AM

Hi Sonia,

I wanted to reach out to your office regarding a couple issues/concerns that have come up recently and get your input on the DA's office opinion on the matters.

1. As I'm sure you know, the city has installed a significant amount of license plate reading (LPR) cameras in the city. The question was posed, how detailed do we need to be in our reports regarding the use of these LPR's. For example, if a camera gives us a "Hot Hit" alert on a stolen vehicle, and officers check the area/locate the vehicle, is it necessary to put verbiage in the report such as…"on such and such date, I received a FLOCK LPR hit regarding a stolen vehicle near A/B Streets?" Because these arrestees often get copies of their reports and share them throughout the jail and with others, we would obviously like to keep them as off the radar as possible to these repeat offenders. I am sure the word has already spread that these cameras exist in the city, just want to slow the spread if possible.

   For a case such as this, can officers just say in their report… On date/time, I was in the area of A/B Streets when I observed stolen vehicle ABC123, which returned stolen out of SMPD and leave out the part about the FLOCK LPR Hit. In this case it is more of a tool than evidentiary I would say.

   Having said that, I know that if the camera's are used as more of a canvassing tool which helps develop a suspect, which leads to an ID, so on and so forth, I know that it is absolutely required to reference the use of the LPR system when it is used in identifying suspect vehicles, suspects, etc in cases like shootings/stabbings/robberies, etc.

   Can you provide any feedback on this matter?

2. As with all departments, we are very short staffed at the moment, making it hard to meet minimum staffing on a daily basis. Officers are still out doing good work, which leads to arrest, which leads to court, trials, etc…part of doing business. This, along with the backlog of cases that seem to now be moving forward after COVID restrictions lifted make things difficult.

   Recently some patrol officers have had jury trials, and multiple times, back-to-back trials. During these cases, a patrol officer has been designated as the I.O. in the case, taking him/her off the streets for a week or two at a time, which hurts staffing. Frankly, we just don't have the staffing to lose officers for weeks at a time to trial.

My question is, is it always necessary to have a patrol officer present for an entire trial, jury selection, and all, as the investigating officer? Or can the officer be subpoenaed to testify at a given date/time instead? I do think the whole trial experience has tremendous value for officers and only makes them better. I'm just wondering if we can have a happy medium moving forward during these tough times of low staffing.

I really appreciate your time on this.

Respectfully,

Chris Mathews, Sergeant

I sent this to Mike B Thursday, as I also was concerned this would cause an issue. Officers might not want to use their personal phones; therefore, this might dismay them from using Flock if they don't have a dept. phone.

I am doubtful they will honor the request to deny this, from a security standpoint, having MFA should always done.

Please, let me know how I can help.

Just read this. I have concerns. Not all our officers have department issued cell phones. This could be problematic. Looks like it goes into effect next week. It also looks like we can opt out. Is there a legal mandate to go to MFA?

Hello,

My name is Myron and I work on the Customer Success Team here at Flock Safety. I wanted to let you know about a change we will be making to your Flock Safety organization.

As a part of our commitment to the safety of your data, and secure access to the Flock Safety network, we will be updating your organization to utilize multi-factor authentication (MFA). All law enforcement organizations and users will need to enable a security method that requires users to provide more than one form of verification to access their system.

Once active, your users will be prompted to set up a phone number for text message authentication or an authenticator application code the next time they log in. The user will not be able to access the system until this is completed.

The code must be sent to the user's cell phone, or sourced from a one time code application on the cell phone. At this time, we do not have a way to accommodate email MFA or shared phone numbers.

This update to your organization will be completed the week of 03/31. If you do not wish to use multi-factor authentication for your organization, you can reply back to me or turn off the feature after it is activated from the **Admin --> Organization** page in the system. See this video overview.

Please let me know if you have any questions.

Hello-

I've attached the agreements, which expired recently. I'm thinking we'll need to do a new agreement, just for the Flock cameras since they no longer want to continue the law enforcement services. Shall I reach out to City Attorney's Office to determine the best path forward since this is an addendum to the services contract? I'm guessing we'll need a stand alone contract for the cameras. I've added @Daniel Cohen in as he's been dealing with Flock and their billing "situation". On that topic, do you recall paying for these cameras and/or how should we go about reconciling these and seeking reimbursement from HASBARCO?

Thank you!

Good afternoon Sara,

I apologize for the delay in getting back to you. I understand that Sanford Riggs had a brief conversation with Commander Lara. As you may know, we have significantly increased the security guard service at all of our developments in Santa Maria. In particular, at the Residence at Depot Street we maintain a 24-hour guard service with required sign-in. In addition, we continue to

maintain a robust security camera system at each of our developments to be able to capture and relay undesirable activity that could potentially serve as prosecutable evidence. Finally, since the lifting of COVID restrictions, we have been able to evict a considerable number of tenants that were involved in drug and/or violent activities. As a result of these actions, and others, we have received feedback from townhall meetings with our tenants that they feel much safer.

With that background in mind, we have decided to discontinue the contract for additional patrols with your department. Please note we highly value the Santa Maria Police Department and continue to appreciate the excellent service we have received from your department. Our decision is based on economic considerations alone. We do wish to continue the Flock camera systems and respectfully request the contract to be modified to include continuation of that service. We also understand that the department has continued the contract under the existing terms without an extension. We further understand the department has incurred additional inflationary costs subsequent to the expiration of that contract. We wish to reimburse the department for the additional costs incurred. Please feel free to invoice us accordingly for those additional costs.

Please let us know if this email is adequate or if you need a formal letter executed by our Executive Director for your files. As you know, many of our developments serve formerly homeless and include those with mental illness and former or current chemical additions - as such it is a difficult population to serve. All of this is to say that we will not hesitate to reach out to you again if our circumstances change.

Thank you,

hasbarco

Good afternoon Officer Lara,

Thank you for speaking with me earlier. To determine if we'll be renewing our contract with the City of Santa Maria PD, could you please send me an updated contract with any revisions from the previous contract highlighted and I will have our Executive Director review?

Thank you,

428.7 RELEASING ALPR DATA

.The ALPR data may be shared only with other California law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law, using the following procedures:

a. The agency makes a written request for the ALPR data that includes:
    1. The name of the agency.
    2. The name of the person requesting.
    3. The intended purpose of obtaining the information.
b. The request is reviewed by the Administration Division Commander or the authorized designee and approved before the request is fulfilled.
c. The approved request is retained on file.

Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed as provided in the Records Maintenance and Release Policy (Civil Code § 1798.90.55).

*** EXTERNAL EMAIL: Please use caution when opening links or attachments.***

Hi there,

****IMPORTANT** and directly impacts your agency.**

I wanted to update you on one of our enhancements to the National Lookup feature. This feature is located under the Lookup tool in the Search page as well as the Flock Safety mobile application.

Previously, National Lookup allowed users to search for a specific license plate across other Law Enforcement Flock networks nationwide and see text-only plate information. This information did not include an image of the vehicle and required your agency to reach out to obtain the image or network access.

Flock has streamlined this process for image access. Users that run a plate search in the National Lookup will now see images of vehicles alongside the text data.

Your agency currently has this feature turned ON. If this goes against your policy (sharing over state lines), you will need to go uncheck this feature on your Admin Page. Simply uncheck "Enable National Lookup" if you should NOT BE sharing over state lines.

If your agency keeps the National Lookup permission selected, your network's images will be available to other Law Enforcement agencies across the United States that also have the National Lookup permission selected. If you receive on a national level, you grant on a national level.

I'd be happy to host a call to review this feature enhancement - please let me know if you have any questions!

Be safe,

--

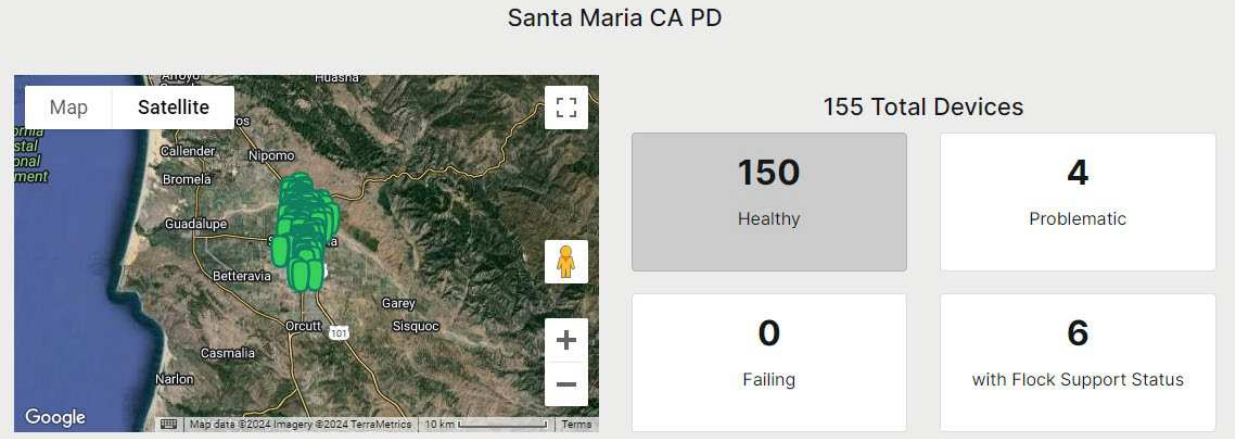
Subject: Q1 2024 - Flock Audit

Today 02/24/2024, I conducted our Q1 Organizational Audit of our Flock system per our Policy 428.5 (c) which reads, "ALPR system audits should be conducted on a regular basis". Following is the documentation of the results.

We currently have 155 Total Devices on our network. This is including Housing Authority cameras as well.

1 ALPR camera is still waiting to be installed. Agreement paperwork was submitted to Flock regarding 1220 W. Main St. to start work on their property capturing EB Main Street traffic from Guadalupe.



Flock shows that we are currently sharing devices with San Luis SO, San Luis PD, Lompoc PD, Santa Barbara SO & Grover Beach PD with a note that reads, "This share only enables historical searches. It does not enable hotlist access."

36 agencies have reached out to gain access to our network that were rejected. (See Attached)

An organizational audit was conducted randomly for the date of 02/01/24:

- There were 160 separate searches performed by 15 different staff members.
- 43 searches could not be easily identified by reason with case number or crime & location
  - Reasons Listed: 10851 (x22), 664/187 (x2), Investigation (x6), Shooting (x4), Shooting+Veh (x2), SV (x1) & Wanted Person (x6)

This e-mail serves as a documentation of the audit.

City Meeting Agenda

Date: September 12, 2022
Time: 2:00 PM - 3:30 PM
Location: Virtual
Objective: To complete the priority topic

Priority Topic -
Closing public access to the alleyway behind iStorage and other thoroughfares behind businesses
*See map on page 2

Additional Topics -
1. Vandalism / Theft
    - How do we request the city add flock camera systems in our area?
    - Flock Cameras have been suggested by law enforcement. If we purchase them, how can we get them installed on city property?

2. Abandoned vehicles

3. Parking on the streets
    - Why not define parking spots? What about permitted parking areas?

4. Safety
    - Employees are scared to be in this area
    - Adding fencing around the properties. Who do we have to get approval from?

5. Homelessness

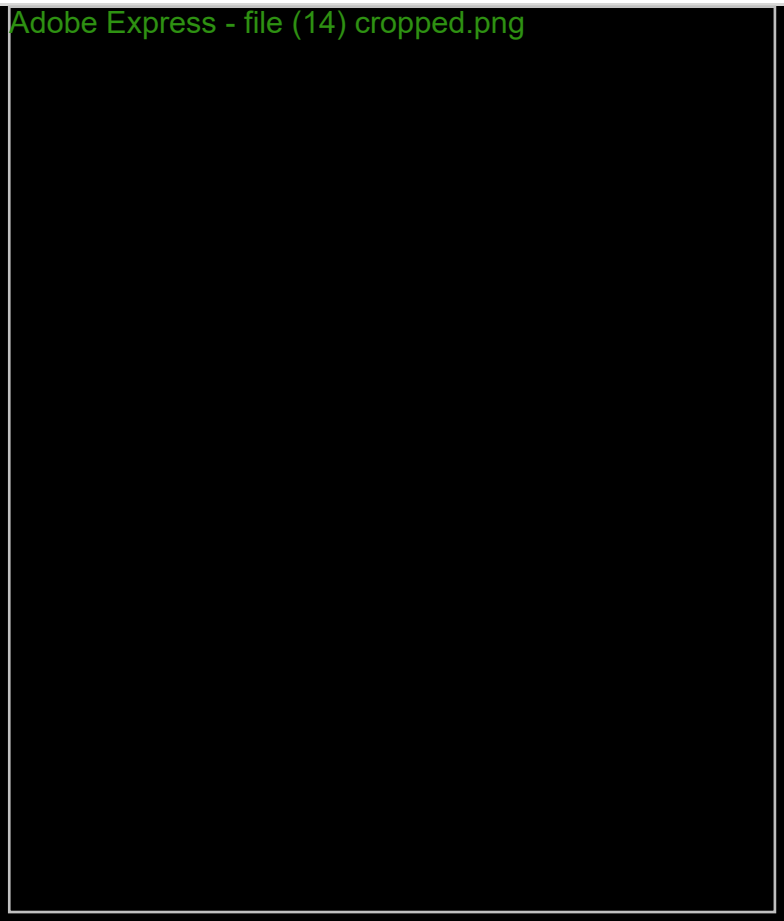
Explore the Dual Lens PTZ



Traditional PTZ cameras force a choice: zoom in for detail and lose the scene, or stay wide and miss what matters.

The Flock Dual Lens PTZ camera solves that problem by delivering wide-angle context and zoomed in clarity, together, in one high-definition feed.

Why agencies are upgrading:

- **Dual synchronized lenses:** Get full-scene coverage and detail at the same time.
- **Solar + LTE powered:** Deploy anywhere without relying on power or internet infrastructure.
- **Flexible mounting:** Install on walls, poles, or existing structures.

Limited time offer: Sign a contract by December 31st and get $1,000 off each Dual Lens PTZ camera.

Expand coverage, close cases faster, and improve situational awareness before the new year.

Natural and man-made disasters can escalate quickly. The challenge? Static technology and limited access can slow your response when every second counts.

Join our live webinar on **March 5th at 1 p.m. ET / 10 a.m. PT**, and you'll discover how to overcome common obstacles, like:

- Limited access to critical systems during fast-moving crises.
- Monitoring evacuation zones with stretched-thin resources.

Traffic and crowd control at large-scale events.

Learn actionable strategies to maintain real-time awareness and mobility, no matter what you're facing.

June 27-July 01, 2022; Monday - Friday
5-Day Female Undercover Techniques and Survival
Commerce, CA

Attendees: This course is designed for "FEMALE" Undercover and Plainclothes Officers/Detectives/Agents/Supervisors assigned to Narcotics, Gangs, Intelligence, Internal Affairs, Vice, Human Trafficking, or Specialized Units.

Course Description: This 5-day (36 hour) training was designed to complement the experienced FEMALE undercover officer as well as bring the newly assigned FEMALE undercover officer to the level of awareness and safety coupled with the knowledge that is required of seasoned undercovers. This "pay it forward" type of training has come from Dave's 20 years of instruction and 25 years of personal experience. Having trained over 12,000 male and female undercover personnel, both internationally and nationally, Instructor Dave Redemann learned early in his teaching career that even though he was blessed to have a wide array of undercover experience and knowledge,

he has not walked in the shoes of a female undercover. With this concept in mind, Dave augments his teaching with additional experienced female undercover instructors. Through years of dedication and hard work, Dave earned the respect and trust of female undercover officers and agents who have bestowed, 'paid forward', their experiences, both and good and bad, and shared the pitfalls of being female in an undercover assignment. A large number of those experiences and events are captured and recorded in interviews that Dave uses as examples during the course. In addition, Dave couples these recordings with his own personal experiences in an effort to assist those assigned to undercover work. Dave's objective is to make the dangerous job of undercover work safer and bring a new level of professionalism to the assignment. Dave strives to impart this knowledge and information to others in an effort to make certain every female undercover officer gets home to their loved ones each and every night. Dave updates his training with the most current and relevant information prior to each course of instruction.

The training covers: The training covers: weapon placement and options, effective recruitment and utilization of informants, identifying safety considerations and unique problems associated with undercover work, addressing the psychological challenges of undercover work, identifying difficult undercover situations and demonstrating methods to resolve them, understanding prosecutorial guidelines, regulations and entrapment issues, discussing risk management of undercover operations, examining key issues in the supervision of undercover units and personnel, demonstrating techniques for infiltration of certain criminal organizations, identifying and demonstrating briefing and debriefing technique and addressing the unique issues associated with women working in undercover assignments.

Instructor: Dave's twenty-five years undercover experience includes, but is not limited to, the following: vice, narcotics, organized crime, white supremacy groups, militia groups, Mexican drug trafficking organizations, outlaw motorcycle gangs, and assisting Federal Bureau of Investigations (FBI) undercover personnel on an international terror case. A large portion of Dave's cases involved long term infiltrations of criminal organizations lasting up to four years. Dave was tasked with infiltrating an Outlaw Motorcycle Gang. This assignment lasted for almost 4 years. Dave has spent roughly ten years of his undercover career living with the criminals he was investigating. While working undercover, Dave has purchased most levels of numerous types of narcotics, stolen vehicles, stolen property, guns, fully automatic guns, explosives, and hand grenades. Dave created and teaches at the Washington

State Undercover School (since 1997) teaches at the F.B.I. undercover school (since 1997), Pennsylvania State Police "Top Gun" undercover school (since 2013), Midwest Counter Drug Training Center (since 2010) and additional military, federal, state and local agencies and organizations.

Guest Instructors: TBA, Experienced female undercover instructors.
